## SUMMARY

I am an enthusiastic and dynamic individual with strong practical skills in computer science, driven by a passion for innovation and problem-solving.

I aspire to build a creative, progressive, and rewarding career that allows me to make a meaningful impact in the tech industry. I thrive on solving real-world problems and continuously seek out opportunities to learn and grow.

My long-term goal is to become a successful entrepreneur in the field of Information Technology, where I can blend technology and creativity to deliver impactful solutions.
